**Article 24.** To see if the Town will vote to authorize the prepayment of taxes and authorize the collector of taxes to accept payments in prepayment of taxes pursuant to RSA 80:52-a.

**Article 25.** To see if the Town will vote to go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Effingham. These actions include: 1) Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy. 2) Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment. In addition, the Town of Effingham encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions. The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices. This is petitioned by Mark Grover and others.

**Article 26.** To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purchase of a Fire and Rescue command vehicle. This is petitioned by Brent Rogers and others.  
The Selectmen and the Budget Committee do not recommend this appropriation.

**Article 27.** To see if the Town will name the Effingham Fire and Rescue Department as the primary transporting ambulance agent and that any other contracted ambulance service be back up to the Fire Rescue Department. This is petitioned by Linda Hefner and others.

**Article 28.** To transact any other business that may legally come before said meeting.

***Given our hands and seal the 13th day of February, in the year of our Lord, Two Thousand and Seven.***

Session II: Saturday, March 18, 2006

Ms. Slack called the meeting to order at 9:00 AM. The Effingham Girl Scout Troop 403 presented the United States Flag to the approximately 50 townspeople that were in attendance. The Troop lead the assembly in the pledge of allegiance. A moment of silence was held to honor those Effingham residents who passed away during 2005 and to honor those servicemen and women who are currently serving their country. Ms. Slack then proceeded to explain how the meeting would be conducted and read Article 9 to the voters present.

**Article 9.** To see if the Town will vote to raise and appropriate the sum of One Hundred Ten Thousand Dollars (\$110,000.00) to purchase a Rescue vehicle and to authorize the withdrawal of Sixty Thousand Dollars (\$60,000.00) from the Rescue Vehicle and Equipment Capital Reserve Fund created for that purpose. The remaining \$50,000.00 is to come from general taxation. This is a special warrant article. This requires a majority vote.  
The Selectmen and the Budget Committee recommend this appropriation.

The article was moved by John Meisner, seconded by William Piekut. Discussion: Mellisa Ferland asked why it was necessary to purchase a vehicle this year. Fire Chief Richard Thompson explained the safety issues and problems with the current vehicle. Article 9 passed by unanimous voice vote.

**Article 10.** To see if the Town will vote to raise and appropriate the sum of Thirty One Thousand Five Hundred and Eleven Dollars (\$31,511.00) to contract the services of Avitar Associates of New England, Inc. for the year 2006. This sum represents payment for the first year of a five-year level funded contract that provides for a full update of property values to market rate in 2010 as required by RSA 75:8-a, as well as general assessing services throughout each of the five years and field data verification of information appearing on property tax cards. This requires a majority vote.  
The Selectmen and the Budget Committee recommend this appropriation.

The article was moved by William Piekut, seconded by John Meisner. Discussion: Frank Sharp asked why the appropriation was less this year as compared to 2004. Claudia Lamphier, the Selectmen's Assistant explained that this was a five year contract as compared to last year being the end of a three year contract. Article 10 passed by unanimous voice vote.

**Article 11.** To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Eight Hundred Dollars (\$12,800.00) for personal allotments for Effingham Fire and Rescue Department members. This requires a majority vote.  
The Selectmen and the Budget Committee recommend this appropriation.

The article was moved by Timothy Eldridge, seconded by John Meisner. Discussion: Christopher Seamans asked what the average amount of calls made by the fire department. Chief Thompson responded with approximately 200 calls. Article 11 passed by unanimous voice vote.

**Article 12.** To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00) for road reconstruction. This requires a majority vote.  
The Selectmen and the Budget Committee recommend this appropriation.

The article was moved by John Meisner, seconded by Timothy Eldridge. Discussion: Christopher Seamans asked what projects will the funds be used for this year. Mr. Meisner responded that a section of Green Mountain Road will be repaired and Iron Works Road will be repaired. Article 12 passed by unanimous voice vote.

**Article 13.** To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for road resurfacing and sealing. This requires a majority vote.  
The Selectmen and the Budget Committee recommend this appropriation.

The article was moved by William Piekut, seconded by John Meisner. Discussion: Christopher Seamans asked what projects will the funds be used for this year. Mr. Piekut responded that Jones Road and Green Mountain Road will be the focus this year. Article 13 passed by unanimous voice vote.

**Article 14.** To see if the Town will vote to raise and appropriate the sum of Twenty One Thousand Dollars (\$21,000.00) for payments to the following Capital Reserve Accounts:

(Account balances as of 12/31/05)

Invasive Aquatic Plants.....	\$2,000.00	(\$ 4,062.89)

Discussion: Arthur Surette, Chairman of the Budget Committee, explained that the reason they did not recommend the \$900.00 for Agape was due to the precarious position the food pantry was in at the time of the Budget Committee's consideration of the request for funds. Since that point in time, the food pantry has been able to find a proper location and that he now supports the request for appropriation. Alton Leeming stated that he is a member of the board of directors for Agape and the food pantry services 450 families per month. A motion was made by John Meisner, seconded by Irene Riordan that the appropriation for Agape Food Pantry be increased from \$0.00 to \$900.00. The motion passed on unanimous voice vote. Eve Klotz asked that the appropriation designated for Carroll County Mental Health be given to Northern Human Services Mental Health Center, the new name for Carroll County Mental Health Center. Hearing no

objection to the request, the name was changed to Northern Human Services Mental Health Center.

**Article 28.** To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) for Tri-County Community Action for the purpose of continuing services for the Fuel Assistance Program for the residents of Effingham. This is petitioned by Mary Drew and others. This requires a majority vote.  
The Selectmen and the Budget Committee do not recommend this appropriation.

The article was moved by Eve Klotz, seconded by David Manley. Discussion: Mary Jones asked why the appropriation was not recommended. Arthur Surette explained that the Budget Committee did not like the wording of the article. He felt it was misleading to the people who signed the petition. Permission was given to Marge Webster to speak to the article. Ms. Webster stated that the intent of the article was to obtain funding for Tri-County CAP in order for it to continue to supply services to Effingham. Mellisa Ferland made a motion to amend the article to read . . . “for the purpose of providing Fuel Assistance for the residents...” the motion was seconded by Irene Riordan. The motion carried on a majority voice vote. At that point in time, Moderator Slack read the amended article to the audience for a voice vote: “ To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) for Tri-County Community Action for the purpose of providing Fuel Assistance for the residents of Effingham.” The amended article passed on a majority voice vote.

**Article 29.** To see if the Town will vote to establish the Library Equipment Expendable Trust Fund for the purpose of purchasing, maintaining and repairing equipment to be used by the Effingham Public Library and further to raise and appropriate Two Thousand Dollars (\$2,000.00) from general taxation to be placed in this fund and appoint the Effingham Library Trustees as agents to expend. This is a special warrant article. This requires a majority vote.  
The Selectmen and Budget Committee recommend this appropriation.

The article was moved by Irene Riordan, seconded by Frank Keville. Discussion: Cathy Leeming, Trustee of the Library, explained that the purpose of the article was to give the library a trust fund to be used for repairs, etc., to the library equipment. Article 29 passed on unanimous voice vote.

**Article 30.** To see if the Town will vote to increase the Board of Library Trustees from the present three (3) members to five (5) members, effective with the 2007 Town Meeting, according to RSA 202-A:6.

The article was moved by Cathy Leeming, seconded by William Pickut. Discussion: Sheila Jones asked why it was necessary to expand the Trustee board. Cathy Leeming explained that due to the increase usage and growth of the library over the past year, the trustees felt in order to continue to have a quorum at their meetings, they felt it was necessary to increase the board to five trustees. Article 30 passed on unanimous voice vote.

**Article 31.** To see if the Town will vote to propose that the Town of Effingham go on record as requesting the State Legislature to develop regulations to control the commercial extraction of water before our water becomes an endangered resource. This is petitioned by Michael Cauble and others.

The article was moved by Henry Spencer, seconded by Eve Klotz. Discussion: Alton Leeming asked if any extraction of water is taking place at this time. Henry Spencer responded that there

is no commercial extraction taking place at this time. Blair Folts stated that the main reason for this article is to protect the aquifer located in Effingham. Cathy Leeming stated that the purpose of the article is to protect the rights of the individual land owner from commercial operations. Article 31 passed on unanimous voice vote.

**Article 32.** To transact any other business that may legally come before said meeting.

Selectman Eldridge provided the group with various dates on town functions, including, Celebrate Effingham which will be Saturday, July 22. The PTO drew the winning 50/50 raffle ticket. The winner, who wished to remain anonymous, donated the money back to the PTO. Fire Chief Richard Thompson announced that he and Lt. Sonny English will be retiring from the Effingham Fire Department in December, 2007. Eric Potter gave a thanks to all of the volunteers and officers of the Fire Department. A standing ovation was given by those in attendance.

The 2006 Effingham Town Meeting was adjourned by unanimous voice vote at 11:15 AM.

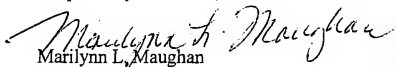

The following town officials were sworn-in by Selectman William Piekut following the adjournment of the 2006 Effingham Town Meeting:

John Meisner	Selectman, three year term
Susan Slack	Moderator, two year term
Marilynn Maughan	Town Clerk, three year term
Marilynn Maughan	Tax Collector three year term
Douglas W. Woods	Trustee of Trust Funds, two year term
George Bull	Planning Board Member, three year term
Maureen S. Spencer	Planning Board Member, three year term
Maureen S. Spencer	Budget Committee Member, three year term
Henry V. W. Spencer	Zoning Board Member, three year term
Alan Taylor	Zoning Board Member, one year term

Stefan Zalewski, elected on a write-in to Cemetery Trustee, three year term, although present, declined the position.

The minutes of the 2006 Town Meeting are correct to the best of my knowledge and belief.

Respectfully submitted,

  
Marilynn L. Maughan  
Town Clerk

## REMINDERS FOR TRUSTEES

- 1. SIGNATURES** - Print and sign on lines provided above.
- 2. INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- 3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- 4. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. [www.nh.gov/nhdof/charitable/](http://www.nh.gov/nhdof/charitable/)
- 5. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- 6. CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- 7. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

## Town of Effingham Zoning Office

The number of Building Permits issued in 2006 indicates that construction in Effingham is slowing down. A total of 73 Permits were issued, down from 115 in 2005 and 141 in 2004.

I started work in July, and I have enjoyed meeting and working with the great people in Effingham. I would like to thank the Selectmen and their staff, and the Planning Board, for their assistance in my learning my way around the Effingham Zoning Ordinance.

Remember: • Most building projects require a permit. Please check with me before you start.

- Driveway construction also requires a permit. A driveway permit is \$25.
- There are activities that change the use of your property that require a permit from the Planning Board, like starting a business in your garage or renting a basement apartment that was previously used by a family member.
- All permit applications are available at the Town Office during regular hours.
- I am in the Zoning Office on Tuesdays from 5:30 to & PM.

The following report includes activity for the Effingham Police Department as well as calls handled in Effingham by the Carroll County Sheriff's Office and New Hampshire State Police. The arrest statistics are for the Effingham Police ONLY. There were a number of burglaries reported in town in 2006 as well as Freedom, Ossipee and Madison. The Effingham Police Dept. was able to develop information and execute a search warrant which led to the recovery of nearly 100 stolen items from area residences, including numerous guns, electronics and household items. The suspects were responsible for dozens of burglaries in the area and have been arrested and are currently awaiting trial. I would like to remind the public to keep your doors and windows locked at all times, and please don't leave your keys in the ignition even in your driveway as it just makes a criminals job easier. Also, I would like to urge people to be aware of their surroundings and report any type of activity that does not seem normal. Don't hesitate to call because you don't want to bother us because after all, that is why we are here. If you don't have a phone with you, write down license plate numbers. As you can see it was a busy year for us and we couldn't answer all the calls without the Sheriff's Office and State Police, so I want to thank them for all their help. Our office is staffed on Wednesdays from 11:00 AM to 5:00 PM behind the Town Offices, so stop by if you have any questions or concerns. Thank you all for all your support because without the community we couldn't do it. Have a great 2007.

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfi.org](http://www.nhdfi.org).

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

In 2006 your Emergency Management Department started to update our Emergency Management Plan. With the help of Lakes Region Planning Commission, we are in the process of writting our Hazardous Mitigation Plan. We are also working with Freedom and Ossipee on developing a regional All Hazards Plan. We have applied for a Federal Grant to rewrite our entire plan. It has been a while since the plan was last updated. To help us with this task we are asking for your help. We will be sending out a questionnaire to all home owners in town. Your answered questionnaires will help us to fine tune our plan.

A reminder to all residence that the town's Emergency Shelter is the Effingham Elementary School. There has been an emergency generator installed for our emergency shelter. This year we will be working on building up supplies needed should the shelter have to be opened.

Once again I would like to thank our Assistant Emergency Management Director, Tim Eldridge, for all of his help. I would also like to thank the office staff of Claudia and Gwen for all of their help over the past year.

Randy Burbank  
Emergency Management Director

## **Library Director's Report for 2006**

The Effingham Public Library is unique in that it is the only tax-funded entity in town where *all* of its resources are available to *all* of the town's residents *all* of the time, at *no* out-of-pocket cost. Library resources may be used for pleasure, for personal enrichment, or for education at the convenience of the patron. The Library also provides a meeting place for various local groups, as well as a venue for entertainment and enrichment.

Ongoing and regularly-scheduled meetings and programs include monthly meetings of the Library Trustees, the Friends of the Effingham Library, and the Effingham Democrats. Monthly library programs include the popular Writer's Night, starting its third year, a book discussion group, a family games night, and a family movie night. Weekly programs include a knitting and crocheting group, and two story times- one for infants and toddlers and another for older children. During the summer, 22 local children participated in the state-wide summer reading program. A cooperative program has been established with the Effingham School, where the school library borrows children's books to supplement their collection. In addition, the Library Director visits the school monthly and reads to the kindergarten and first grade classes. Special programs in 2006 included a history and presentation of banjo music by Len Schneider, a presentation on everyday life in Afghanistan by Hafiza Malikbaba, and a photographic journey through Vietnam by Kate and Mike Cauble.

Since 2004, library usage has increased dramatically. Use of the meeting room has increased 204%. Patron visits and computer usage are up by over 71%. Borrowing of library materials has increased by over 289% for children's books, nearly 193% for adult's books, over 252% for audio books, and nearly 300% for videos and DVDs.

Over the course of 2006, library staff completed an evaluation of the video and DVD, audio book, paperback book, adult fiction and adult non-fiction collections. Collections were moved and rearranged to make the best use of available space and to also provide space for collection expansion.

Collection development in 2006 focused on the reference and adult non-fiction collections. Thanks to a generous grant from the Friends of the Effingham Library, those collections have been significantly upgraded.

Library Trustees have revised and updated the library mission statement and goals and established by-laws. Library policies and procedures have been evaluated and updated where needed. The Trustees continue their collaborative efforts with the Friends of the Effingham Library, the Parent-Teacher Organization at the Effingham School, and the Selectmen to promote Library programs and services.

In late December, the library received a Gates Foundation Staying Connected Grant of \$1000.00. This will allow the Effingham Public Library to participate in an exciting new program through the New Hampshire State Library, the Downloadable Audio Books program. Patrons will be able to browse and select titles at the library or at home, and download audio books in MP3 format. The grant also provides funds to assist in writing a three-year technology plan for the library.

The library staff appreciates the support and involvement of the residents of Effingham, and welcomes your input and suggestions.

Respectfully Submitted,  
Marilyn L. O'Kelly  
Library Director

## Effingham Conservation Commission Annual Report - 2006

Mr. Tim White and Ms. Celine Bergeron have replaced two of its long-standing members; Fred VanCor and George Mueller (who has subsequently passed away).

Pursuant to a yearly tradition, the Commission has sponsored Effingham Elementary School Earth-Day poster contest on the topic, 'Wet & Wild – Water & Wildlife'. The winners have been awarded poetry books and the class, a photo-collage of class-entries. All drawings were forwarded to the Green Mountain Conservation Group for their calendar project.

Effingham Conservation Commission has put in effect their Bylaws, signed by the seven members of the Commission on February 26, 2006. It designates three officers (Chairperson, Vice Chairperson, and Secretary) and two standing Committees (WRC – Wetlands Review Committee; OSC – Open Space Committee).

The Commission celebrated Earth Day on April 22, initiating the yearly road clean-up, accompanied with the Keep Effingham Litter Free (KELF) efforts by the town volunteers. About twenty-five (25) citizens collected around two hundred (200) litter-filled bags. The roadside clean up has been a continuing effort for the rest of the year, thanks to the KELF participants.

Commission members planted about 800 daffodil bulbs in Larry Leavitt Preserve, off Rt. 153; and on the grounds of the Library & Municipal Offices building.

Selected mammalian skull display and face-painting had a big draw in the Commission booth during 'Celebrate Effingham' held on July 22<sup>nd</sup> until rain that afternoon. Other activities, including raffles, generated a cash donation to the Commission fund.

The two-year Wetland Inventory project for the Town of Effingham, carried out by Dr. Rick Van de Poll has progressed as per schedule. Following roadside survey of wetlands that cross public byways, the South River Marsh map has been completed. Next Wilkinson Brook Basin has been mapped. It is one of the largest contiguous clusters of wetlands in the town. Finally, the Pine River Basin, our third major wetland basin in town has been mapped. Dr. Van de Poll updated the Commission of this wetland inventory on Oct. 23<sup>rd</sup>, which was open to public. The final presentation of the project will be on February 26<sup>th</sup>, 2007.

The Commission has engaged the help of UNH Department of Natural Resources Undergraduate Seniors in a project to analyze the aquatic connectivity in the town of Effingham. The team presented their findings to the Commission (open to public) on December 4<sup>th</sup> (- 8 culverts need restoration). A public presentation will be on February 26, 2007.

The Commission has submitted a Wild Life Action Plan (WAP) based Wildlife Inventory grant proposal for the town of Effingham (Moose Plate Grant: 2007-'09).

Some of the Commission members attended Conservation Workshops (GPS & Compass; Evaluating Wetlands) sponsored by UNH Cooperative Extension; the NH Association for Conservation Commission Annual meeting (Nov. 2<sup>nd</sup> – Concord); DES - Watershed Conference (Nov. 18 – Concord); the 2006 NH Coverts Project Workshop (Sept. 13-16 – Hancock); and the Watershed Coalition meetings.

The Commission is working with DES on town wetland violation issues and has reviewed PBN (permit by notification) applications.

Kamal Nath, Chair  
Barbara Thompson, Secretary

## EFFINGHAM HISTORIC DISTRICT COMMISSION

During 2006, this Commission continued to be fully committed to helping sustain critical historical elements that give visibility to the heritage of the town. Eleven regular meetings were conducted during the year along with three special-work sessions; one Application for Approval was processed and investigation was undertaken regarding a non-conforming home project. Two noteworthy sessions regarding barns were conducted. The first concerned a question about the repair or demolition of a barn by a resident and, following critical review with Members, this owner decided to save the barn. The second session concerned approval to build a barn; and this resident provided professional diagrams and dimensions which made for clear analysis and timely Approval for the traditional New England barn now on site. Each applicant herein voiced appreciation for the procedural course of action experienced.

Mr. Michael Cauble resigned from the Commission during August due to obligations necessary to his duties as Chair of the Carroll County Democratic Committee. His interest and knowledgeable input were highly regarded at all times.

Ms. Joan Sullivan became a Member of the Commission during November. She has had lifelong interest in historic buildings and landscapes and will make notable contribution toward our agenda.

Our endeavors to preserve community buildings and protect rural characteristics that have association with events that made significant contribution to our history have been, and always will be, based on respect for our past and the preservation of its important elements. This vision is reinforced in an article by James L. Garvin, State Architectural Historian, which was printed in the New Hampshire Preservation Alliance News, Fall 2006. A section of the text is as follows:

"Almost every human activity has left its trace in our landscape because almost every human need has been met through the creation of an object. The artifacts of history are everywhere. They can be as enveloping as woodlands, cleared fields and roadways; as familiar as houses, schools and libraries.

"The act of understanding and preserving cultural resources is a form of environmental stewardship, an affirmation to future generations that we have endeavored to recognize and pass something of value to them."

Our established goals have been met through the means of our regularly-scheduled meetings which are held the second Tuesday of each month at 7:00 P.M. in the Town Municipal Offices.

We thank the Selectmen and town residents for support and involvement in the endeavors toward the public good by the Historic District Commission.

Respectfully submitted,

Paul Potter, Chairman  
Arleen Gertsen, Secretary

## Effingham Planning Board

Citizens of the town came to the board to ask if they could help with the crafting of 3 zoning ordinances. A Land Use Advisory Committee to the Planning Board was set up headed by Susan Slack. One group worked on the Steep Slopes Ordinance to make it clearer and more concise, another group worked on an Open Space Conservation Subdivision Ordinance to address the better management of land and to balance peoples right to build on the land in keeping with the Master plan. The last group worked on creating a new district called the Province Lake District to address the concerns this area of town has due to the size of the lots, as well as the increasing population, and the impact on the lake. The Planning Board appreciates the work of these groups with their help on addressing those issues. The 3 ordinances will be presented to the voters before town meeting.

The Conservation Commission in conjunction with the Planning Board is continuing the inventory of the town's natural resources, which will be added to the Master Plan as a guide for years to come. The Planning Board will be working on updating the Master Plan in the following areas, Library, Town Services, and The Transfer Station as these are a large part of the budget and much has changed since the Master Plan was written.

Other areas the board will be focusing on will be review and update the subdivision regulations to reflect the new rules that need to be incorporated. All the forms the board uses have been reviewed and updated to make them clearer and easier to use. The board will continue to review the zoning regulations and make changes as necessary.

The Board hired Gwen English who works for the town in an assessing capacity to be the Planning Board secretary. She will handle the applications, post notices, answer questions regarding the proper applications people need, handle the mail, and help with the filing of records that needs to be done. This chairman is grateful for the help she has been so far to the board this year.

Respectfully Submitted,  
Maureen S Spencer, Chairman

## **ZONING BOARD of ADJUSTMENT**

### **2006 REPORT**

This was another very busy one for us as we had 23 sessions total. Things are still moving along smoothly. We had our regular 12 meetings and 11 special sessions. We had 10 hearings of which 6 were granted and 4 were denied. There were 6= variance, 2= for rehearing, and 2= for appeal of administrative decision. We had a very busy March this year with a session every week of the month. In July we had a work session with town attorney Matt Serge. This was very helpful as the rules changed for variances. There are now two types . A use variance and an area variance. The applicant must now choose which to apply for. We were shown how to sort them out and decide whether to grant or deny. How to come to a specific decision and write it all out on paper for the applicant.

We had a case of a prior year go to Superior Court and the outcome was in our favor, but the applicant appealed the case to the Supreme Court. We'll see what happens next. We now have two cases pending for Superior Court.

Henry Spencer was elected at town meeting to serve another 3 years, Alan Taylor was elected to a one year term to fill out Kathy Griffins term when she moved away. Don Lachance resigned in March and George Beckwith moved up as an alternate to fill that position. Tim White came along this summer and was appointed an alternate. There are going to be two openings for regular members on the March ballot. At this time we are not sure who is going to run . We could use another alternate if anyone out there would like to participate in town affairs. Stop by and visit us on a meeting night.

Our meetings are on the first Wednesday of each month. All meetings are open to the public if you would like to attend.

Respectfully submitted,

Lyle C. Thurston, Chairman

## **Celebrate Effingham !!!**

Most will recognize "Celebrate Effingham" as an event that started in the Crabtree field in South Effingham in 2003. The annual event moved to Fire Station #2 in 2004 and has continued to be held there on the third Saturday of July. Each year the Celebrate Effingham event has grown both in those groups participating in the event and those attending the event. In 2006, private vendors were invited to participate. All have agreed that this enhanced the event by providing more diversity. The vendors found the event profitable and all expressed an interest in returning. We expect an even larger number of vendors marketing their products in 2007.

The success of Celebrate Effingham 2006 evidenced that with the growing popularity of the event, so grew the possibility of generating revenue. The small group of organizers of the event felt that this potential revenue could be utilized. With that intention, the Celebrate Effingham Committee has decided to incorporate as a non-profit organization with the mission of raising funds to provide recreational opportunities to residents of all ages. The group has registered with the New Hampshire Attorney General and is currently in the process of applying for non-profit status with the Federal Government. With the mission determined, the Celebrate Effingham Committee is now moving forward in planning more annual events, starting with a Penny Sale planned for March 24<sup>th</sup> at the Municipal Office Building.

The upcoming year is expected to be a busy one for the Committee. Needless to say, with such ambitious goals the Celebrate Effingham Committee needs the help of many volunteers. Whether you have enough time available to become a Committee member, or just a couple of hours to donate to any of our planned events, your help will be greatly appreciated. The success of our organization depends solely on the support of our community members. Your attendance at our events is vital to accomplish our goals. Bring your friends and family and join us for some fun. You will be supporting a great cause which will benefit all.

Hope to see you there!

## LAKES REGION PLANNING COMMISSION

2005 – 2006 (FY-06)

The Lakes Region has changed tremendously in the past 25 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic changes. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. Local, state, and federal resources primarily fund the LRPC. We are contacted several times daily for answers to local and statewide issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses, and citizens of the Lakes Region.

Listed below are some of the services performed on behalf of Effingham and the region in the past fiscal year:

- ❖ Summarized area community minimum road standards for the town
- ❖ Discussed local considerations in developing road standards
- ❖ Sent a copy of "*Regulating Development on Steep Slopes, Hillsides and Ridgetops*" to a member of the conservation commission.
- ❖ Attended a town Land Use Advisory Committee Meeting and participated in a discussion of the town's current zoning ordinance and proposals for zoning amendments to be considered at town meeting.
- ❖ Discussed with town official clarification of the term "abutter" as it applies to streams.
- ❖ Prepared a preliminary report on Housing and School Enrollments in the Lakes Region with a final report due in the fall of 2006. Funding was provided in part by grants obtained by LRPC.
- ❖ Initiated a Virtual Agriculture Tour of the region: a pilot project designed to illustrate how the Internet and GIS can be used to identify and bolster agricultural activity.
- ❖ Completed and distributed the 2006 *Development Activity in the Lakes Region* report on the Lakes Region development trends. Prepared and distributed a development survey for 2006-2007.
- ❖ Planned and coordinated the 20th annual household hazardous waste collection in the Lakes Region. Two consecutive Saturdays were designated as collection days for 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC advises the LRPC on transportation projects of regional significance.
- ❖ Co-hosted and organized three public Municipal Law Lectures in Meredith where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: Off-Site Extractions and Impact Fees; Balancing Municipal Interests and Private Property Rights; Ethics for Land Use Board Members; and Land Use Regulations: Constitutional Challenges and the Evolving

Law of Variances. Also convened a regional meeting on the use of conservation subdivisions as an effective land use conservation tool.

- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.
- ❖ Prepared a model steep slopes ordinance and a draft agricultural land preservation ordinance. Both are to be included in an innovative zoning guidebook to be released by the NH Department of Environmental Services in 2007.
- ❖ Awarded \$50,000 from the U.S. Economic Development Administration to prepare a Comprehensive Economic Development Plan (CEDS). LRPC will bring various stakeholders together to develop a regional vision and plan for regional economic progress. A completed CEDS will also provide communities with improved access to EDA funding for infrastructure and economic development projects, a benefit not currently available.
- ❖ Adopted the Lakes Region Bicycle and Pedestrian Plan; a planning effort that will help provide a blueprint for the location of regional and local bike and pedestrian routes.
- ❖ Conducted over 150 traffic counts around the region, in cooperation with the New Hampshire Department of Transportation (DOT). LRPC is also preparing and updating local road inventories, on a town-by-town basis, that will be used by the DOT.
- ❖ Participated on the Lakes Region Household Hazardous Product Facility board of directors to explore the ways and means that the facility may encourage communities to participate as members.
- ❖ Convened seven Commission meetings, including four area meetings, which featured a diverse range of topics ranging from a presentation focusing on how scenic views affect local property assessments, an update of LRPC's Regional Goals and Objectives which was accomplished with discussions and recommendations over the four area meetings and adoption in September of this year, an amendment to the Standing Rules and Procedures for the LRPC Transportation Advisory Committee, and an update on the recent achievements of the Northern Rail Trail in Merrimack County.
- ❖ Continue to represent the region on several boards and committees related to the economic and environmental well-being of the region, e.g., the Belknap County Economic Development Council, the Grafton County Economic Development Council, the Pemigewasset River Local Advisory Committee, the North Country Resource and Conservation Development Council, etc.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$15 million in the Lakes Region.
- ❖ Produced a calendar of critical deadlines for March Town Meeting, and distributed it via our web site and regular mail.
- ❖ Ordered and distributed many copies of the NH Planning and Land Use Regulation books to member planning boards at considerable savings. Copies are provided to individual planning board members.

### To the SELECTMEN and RESIDENTS of the TOWN of EFFINGHAM

The Tri-County Community Action/Carroll County is a private, non-profit agency that was established in 1965. The Carroll County Resource Center is located at 448 White Mountain Highway, Tamworth, NH. We have had contact with 1,035 of Effingham's citizens, processed 81 Fuel Applications, 24 elderly, 19 disabled and linked 911 with other programs.

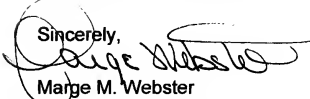

### TRI-COUNTY COMMUNITY ACTION HAS SPENT \$182,960.00 ON EFFINGHAM'S CITIZENS BETWEEN JULY 1, 2005 AND JUNE 30, 2006.

Tri-County Community Action is dependent upon funding from your town and neighboring communities countywide to provide necessary services for the less fortunate citizens in our communities. The local funds are combined with Community Services Block Grant, Fuel Assistance, New Hampshire Emergency Shelter Grant, Homeless Programs, EFSP, McKinney and private and corporate benefactors. We are the conduit through which USDA Surplus Food is distributed to the 13 Food Pantries, three dinner bells and a nursing home throughout the Carroll County in order to serve our residents.

Carroll County Community Contact has successfully partnered with individuals and families to assist them to identify barriers blocking the way to self-sufficiency. We have provided information, referrals and assisted with advocacy for more than 25,156 contacts in Carroll County last year.

We greatly appreciate the support, cooperation and partnership with your elected officials, staff and residents

Sincerely,

Marge M. Webster

Director of Development

## **Fiscal Year 2006 Fact Sheet**

The American Red Cross is a non-profit, community service organization dedicated to providing disaster relief and emergency aid to people living in central and northern New Hampshire. The Red Cross helps people prevent and prepare for disasters and respond to emergencies. Staff and volunteers build stronger and safer communities by offering a variety of programs and services including health and safety education, disaster response, emergency preparedness, blood services, military communications and international tracings. The main Chapter office, located in Concord, serves about two-thirds of New Hampshire to the Canadian border, including the Concord Area, Lakes Region and North Country.

### **2006 Developments**

In June 2006, the Belmont Branch office of the Red Cross was officially opened in the Belknap Mall. A grand opening and ribbon-cutting ceremony was celebrated by the public, the Town of Belmont, the Belmont Chamber of Commerce and the Red Cross Chapter. The expansion and relocation effort into the Lakes Region and North Country allows the Chapter to better respond to the immediate needs of the local residents when disaster strikes. The Chapter staff and volunteers work to strengthen the local communities with courses in CPR (cardio pulmonary resuscitation), First Aid, health education and other lifesaving services. The goal of the expansion is to build safer communities through training, preparation and response.

### **Financial Information**

The Red Cross receives no funding from the federal government. Our revenue sources include 35% voluntary community donations, 41% products and services, 13% United Way, 1% grants, 0.6% municipal allocations and 8.5% from all other sources. For the fiscal year ending June 30, 2006, the local Chapter, covering the Concord Area, Lakes Region and North Country, received funds from 2,545 donors; 4% were donated specifically for flood disasters in the state, 22% were for other disasters in the area, 21% came from the capital campaign, and the remainder were general contributions. The Chapter served 14,640 individuals with a combined operating budget of 1.25 million dollars.

### **Programs and Services**

#### **Health and Safety Services**

The American Red Cross provides instruction in CPR, First Aid and AED (automated external defibrillation), lifeguard training, water safety and babysitting. The classes are offered at the Chapter

office and in the community at workplaces and in schools. Last year, **14,195 individuals received training and certification** in American Red Cross Health and Safety programs.

#### Licensed Nurse Assistant (LNA) Training

Licensed Nurse Assistants (LNAs) provide basic patient care and assist with nursing procedures under the direction of registered nurses and licensed practical nurses. In New Hampshire, home health aides must be licensed nurse assistants. Licensing is granted upon successful completion of a standardized training program and passage of a written exam. **464 LNAs received their license** in fiscal year 2006 after training and/or testing through the Chapter's LNA program; **191 of those were new entries** into the health care field who were fully trained through the Chapter.

#### Disaster Services

The American Red Cross has an extensive network of volunteers who are specially trained to respond to disasters such as fires, floods, severe thunderstorms, hazardous materials spills and acts of terrorism. The most common disasters are home fires. Disaster Action Team volunteers provide food, lodging, clothing and emotional support to people who have been forced to flee their homes due to a disaster. The Red Cross provides a three part disaster training program for people wanting to become members of the national disaster services human resources system (DSHR).

Last year, your Red Cross Disaster Action Teams responded to **53 emergencies** affecting local families. Emergency Services **assisted six fire departments** during the April fires by **providing \$930 of food and water**. During the New Hampshire Floods in May 2006, the Chapter **served 82 families and raised \$31,389** to defray the actual service cost of \$31,535 (excluding other relief expenses).

#### Blood Services

The Red Cross works closely with the regional blood services center to organize blood drives in the community. During fiscal year 2006, **158 blood drives** were held, yielding **8,404 productive units of blood**.

#### Armed Forced Emergency Services and International Tracing

The American Red Cross keeps families connected with their loved ones overseas by providing emergency communication 24 hours a day, 7 days a week. The Red Cross assists thousands of military families daily with urgent messages regarding the birth of a child, serious illness or death of a loved one. Confidential counseling as well as assistance with emergency loans and grants is also provided. The American Red Cross works with other national societies to trace family members in the midst of war, civil unrest or disaster in other countries. This service includes exchanging family messages, making international disaster relief inquiries and providing information and referral. Last year, your local Red Cross responded to **152 cases for assistance to military families**.

**MEDSTAR EMS – Activities Report  
Town of Effingham – 2006**

This report is submitted to the people of Effingham along with our sincere appreciation for your long standing and generous support. Currently, there seems to be some controversy as to who provides you with “primary” transport services. Personally, I believe this designation to be a non-issue. The only true issue is that those in need receive excellent, compassionate care regardless of the uniform of the EMT. I am more than willing to debate this matter provided it occurs in an honest and open manner. Unfortunately, considerable misinformation has been used to cloud this issue and needs to be addressed. First and foremost, Medstar has NEVER demanded that a patient be removed from the Effingham unit and placed in a Medstar ambulance. The one incident in question was handled in full and mutual agreement of the two services on scene. Secondly, it is important to clarify the services we provide to your community. Medstar operates four primary ambulances and two others in reserve. Medstar is staffed 24 hours a day with at least six EMT's on duty. Our staff includes: eight EMT-Basics, four EMT-Intermediates, and five EMT-Paramedics. Of this staff one Intermediate is enrolled in the Paramedic program and four of our EMT Basics just completed Intermediate level training and will soon sit for the National Registry Exams. Our staff includes Certified Fire Fighters and Rescue Technicians and some hold various Homeland Security Certifications. Many are volunteer firefighters, and rescue squad members. Several are officers of their respective volunteer departments. Medstar strives to always go above and beyond the requirements of our contract. As an example, whenever possible, two Medstar units are dispatched to all serious motor vehicle accidents and fires. At times, we have had three ambulances handling calls simultaneously in Effingham. Though not required to do so, our crews have participated in extended and complicated rescues, and have even assisted with fire fighting. To the best of my knowledge and belief Medstar has never been unavailable to handle an Effingham call and have always responded in a professional, courteous manner. We are proud of the services we provide to you and look forward to the continuation of our mutually beneficial association.

In 2006 we responded to 145 calls in Effingham. They are as follows;

Medical Aids:	85
Trauma:	9
Motor Vehicle Accidents:	19
Assist Police:	2
Assist Fire Department:	30
Patients Assisted With Out Transport:	16
Transports At The Advanced Level:	51
Transports At The Basic Level:	23

Respectfully Submitted,

Randy Hayford  
Chief of Service

## **VNA HOSPICE OF SOUTHERN CARROLL COUNTY & VICINITY**

### **2007 APPROPRIATION REQUEST**

#### **DATA SHEET: TOWN OF EFFINGHAM, NEW HAMPSHIRE**

As you may recall, VNA-Hospice appropriation requests are based on Agency losses from Services provided to citizens of your community for the PAST year. Thus, Towns know Exactly what they are being requested to support. The number of visits/service incidents to Your community for the past few years were:

Your Budget Year	2004	2005	2006	2007
Total VNA-Hospice Visits	2638	3,028	3,910	3,041
Unrecoverable Svc. Billing	5,563	14,670	2,563	5,416
Appropriation Request	10,116	6,857	7,780	6,551

EFFINGHAM – This year's request is a reflection of an increase in unrecoverable billings for services rendered and increased usage of our Maternal Child Health program for which there are limited or no client charges.

VNA-Hospice of Southern Carroll County and Vicinity is very grateful for continuing support from the Town of Effingham. Thank you.
